**NPSA Annual Conference**  
**October 26-28, 2008**  
**Caesar's Palace**  
**Las Vegas, Nevada**

**TRADE SHOW INFORMATION**

The trade show will be conducted at the NPSA's 6th Annual Conference and Exposition to be held at Caesars Palace in Las Vegas, NV from October 26-28. We are projecting over 600 business professionals from the portable storage industry to be in attendance. A listing of exhibiting companies will appear in our conference program, website and in the NPSA's newsletter, *The Global Container*.

The Trade Show will be open on Sunday, Monday and Tuesday. Those companies/persons staffing the booth must be registered for the conference. All persons staffing the booth are required to wear the nametags provided.

This year we will be in **TEMPORARY SPACE**. Caesars has torn down and is rebuilding their Events Center. It will not be ready until 2009. Space this year will be very tight. We are asking all exhibitors to let us know how much space they will require (ie. 10 x 10; 20 x 15; 50 x 30; 25 x 20). This will enable us to maximize use of all of the space we have available. The show will be held in the Roman Plaza which is outside and to the front of the Caesars main entrance. The area will be tented. Priority will be given to returning exhibitors and NPSA Sponsors. To secure your desired space, please submit your registration form as early as possible.

Freeman will make available a full Trade Show Kit to all registered exhibitors. They will also provide shipping and storage information. They can assist on your audio-visual, furniture or electrical needs. If you have larger pieces of equipment, they will be marshaled on the morning of Saturday, October 25 and then brought Caesars for placement.
